Dear All Matri devotees,

Jai Ma.

It is by the kind grace and blessings of our divine mother only that we have finally received our **Sangha Registration Certificate** after being duly amended. It was though received on time only a few months back; but due to some inadvertent mistake on the part of the Registration Office it was deposited with them again for some needful correction. But we highly regret to bring this to your kind notice that a group of people tried to misguide the devotees, for reasons best known to themselves, by wrongly criticizing and saying ' that Sangha does not exist nowadays due to gross inefficiency of the Sangha Management ' which is absolutely wrong and should be unacceptable by any real devotee of pujya Ma.

Rather the Management had taken right and most wise decision by returning the same to the Registration Office for the needful correction which will remain valid for next 5 years. We are grateful to Sw Shivanandji for his wise and timely decision. The matter got delayed due to Covid followed by the Assembly Election.

Considering the interest of the Sangha it is needless to mention we should be careful of such false propaganda, which may even misguide our regular donors of the Sangha and harm the developments of the Sangha.

While assuring you of bringing some tangible and perceptible changes in the entire operation of the Sangha at the earliest through the New Team, I personally solicit your earnest co-operation in the matter as some desired inspiration from your end at all times.

May Ma bless you and your family for a happy & healthy life always,

With Regards,
Ashish Choudhury
