For ALL MA's Bhakts , Brothers and Sisters ...

Dear All, Jai MA,

This is further to the Update on Vidyapeeth , sent on 1st. August 2024 -

For the convenience of Devotees , the Communique provided information regarding the

Sustenance Expenditure incurred per student and a suggested mode of payment , for patrons who would like to lend support .

The moneys received shall be used for the running infrastructure of the school and the collective welfare of all Students . Equal distribution of all facilities shall be ensured so that no child is left out. Regular

updates on the Progress made shall be sent to patrons and devotees .

As Vidyapeeth is wholly dependent on Charity Funds and Voluntary Sewa , development is undertaken in phases . With Shree Shree MA's

Kripa , we hope devotees with experience in the field of education will be able to contribute TIME for their chosen role as mentor , guide ,

teacher or even as facilitator for Workshops on general Awareness , special skills and handicrafts . Such Help could ensure a happy and

secure Future for MA's VIDYAPEETH ..

For ALL MA's Bhakts , Brothers and Sisters ...

Dear All , Jai MA ,
This is an Update on the Development of MA's VIDYAPEETH in KANKHAL .
Attached is a Pictorial Summary of the Initiative so far -

As a result of Covid Pandemic , the running of the Vidyapeeth school had to be temporarily discontinued .

Work was taken up in January 2023, to restore the school building and revive the functioning of the School . With generous support of Devotees in all spheres , infrastructure , finance and ' shramdaan ' the School was back on its feet in record time .

Since then continuous efforts are on , towards its growth and development along guidelines given by MA and Bhairji . Essentially it is a blend of a Vedic , Gurukul pattern together with modern studies , to enable the Child Students to choose between a Spiritual calling or a regular professional career as a householder . In either case the goal is to launch ideal human beings and principled citizens who would be an asset to the world .

The Vidyapeeth is a Residential School for the underprivileged of neighbouring areas, with boarding , lodging and education, completely Free of Cost , as the Shree Shree Anandamayee Sangha's service to mankind .

The Students are in their formative years of character building , Classes 6, 7, and 8 . Beyond this they are given transfer certificates for admission into larger schools if they choose to pursue further studies ; or else they choose a Spiritual Organisation or other options of skill development . The capacity of the school is limited to 40 .

Shree Shree MA 's clear guiding advice was to have a focus on nurturing ' Adarsh ' children , rather than having a greater number of students .

Present Status - The process of upgrading and revamping the Faculty is on . Interim Lady Teachers employed due to fund constraints are being replaced with more qualified male teachers for Ved , Science , Maths and English in the hope of improving the level of studies . A new independent Kitchen facility is being built for Students and Staff to provide better nutrition in hygienic conditions. This is nearing completion and shall be operational by mid / end August by MA's Kripa .

Immediate priorities to follow up - Playground , School Boundary Wall and Gate .

Devotees have shown interest in sponsoring the education of a child and made enquiries for the same . After in-depth calculations the Vidyapeeth Committee has arrived at a sum of Rs 7000/- a month . This is expected to cover boarding , lodging , Books , Uniforms , basic needs , and overhead expenses of Staff and Security . This figure has been arrived at keeping a No Profit principle in mind . We hope and pray to MA for Success in this initiative.
